

2025 CKNA Divisional Awards Schedule

Below are all the racers being recognized Thursday at the Grand Nationals for their performances throughout the 2025 CKNA season. Contrary to what we published in the CKNA rules, we made the decision to expand the number of people that qualified for awards. We adjusted to include any racers that only missed one weekend. We felt this was more accomidating to peoples lives outside of racing, and did not change ANYBODIES finishing positions for the year.
