## 2024 Divisional Awards Presentations

### Taking place Thursday October 10th

We will once again be celebrating our Divisional Champions at Grand Nationals this year. Due to the new format, we've had to adjust how the presentations are scheduled. This year, we will be scheduling the awards presentations by class throughout the day on THURSDAY.

Below is a list of all the racers that are being recognized for their performances throughout the 2024 season. Please note the times scheduled, and report to the NCMP lobby for a brief awards presentation and photos.

In order to recognize as many of our racers as possible, CKNA made the decision to award all the way to 5th place in all classes, provided the drivers raced in more than 50% of the races in that division and registered for Grand Nationals 8.

#### 11:00 AM - Junior Awards

	North	South	East	Canada
